III. Old Business

- 1. Update on Pat Bailey Memorial Plaque-* The Board discussed the information they remembered from years past. They recalled it had been about 5 years and it was a plaque to be placed at her church, Bethel Church. It seemed like it was all done in 2014. Ms. Caddle thought that would be enough to get started and would work on bringing all of the information back to the Board next month.
- 2. Additional information on the James Turner Historic Marker Application-* Mr. Clemente addressed the Board with the correction that cleared up the question from last month of which battles Mr. Turner was in. He also said that the Sons of

the Revolution stated they would help sponsor the plaque. Leas talked about grammatical changes to the proposed language for the plaque.
