Chair Ike Holt asked if anyone had any corrections to the March 19, 2026 meeting minutes. No corrections were offered. Michael Chandler made the motion to approve, and Ray Cobb seconded it. The motion passed unanimously.

III. NEW BUSINESS

A. Appeals Procedure Preparation

Mr. Hoagland walked the Board through what to expect as they begin preparing for future appeals. He explained that the goal is to make sure everyone understands the steps involved in the appeals process and feels comfortable with how cases will be handled. He talked about the types of information the Board will need to review, how staff will support the Board during appeals, and what the timeline usually looks like. His comments were meant to give the Board a clear picture of the process so they're ready when appeals come forward.

B. By-Laws/Calendar Meeting Location Change

The Board moved on to discuss whether future meetings should continue in the current room or be moved to the new meeting space at the Alamance County Development Center. A Board Member asked if anyone wanted to make a motion, and the group began talking through the pros and cons of each location. Mr. Hoagland explained that the new meeting room was intentionally designed to support boards like this one. He shared that the County planned for flexible meeting space during the building renovations, including movable tables, stackable chairs, and a divider that allows the room to be used for both small and large groups. Ray Cobb made a motion to

amend the by-laws to move future Board of Adjustment meetings to the Alamance County Development Center. Chair Ike Holt seconded the motion.

The vote was as follows:

- **Voted in favor:** Ray Cobb, Ike Holt, Debra Hyder
- **Opposed:** Michael Owens
- **Abstained (affirmative):** Michael Wilson

The motion **passed**.
